Skaters progress through a series of badges, report cards and receive other incentives. At the end of the season each skater participates in a fun club competition - every skater receives a medal on the podium for their efforts.

Sessions are offered on:

Tuesdays (pm) 6:30 to 7:20

For Canskate participants we advise of the following:

- A **CCM certified** skating helmet and gloves must be worn by each skater, splash/snow pants recommended.

- If it is found that a child is not ready for an organized program, the program fee (minus a \$100 administration fee) is refundable within the first three weeks.
- Parents are **NOT** allowed on the ice.
